46	More events is interesting. As a Porchfest organizer, I heard feedback from locals, especially youth, that they wish Walsenburg was "like this all the time." But the big question is who will organize because the WDRC and Fox Theater manage the bulk of these programs and WDRC is at capacity at this point. (Budget and manpower). It would also be great to see more businesses in downtown Walsenburg invest in the programs. We already have rather than start new ones. We rarely get any donations from downtown businesses.	7/7/2025 5:15 PM

33	We need to keep out corporate private investors. The city should work with the owners to help revive the exterior of the property so they are less of an eye sore. Using an iron fist to rule is not a communal way to govern. It fosters resentment rather than engagement. We could host community service days to clean up the properties. If the owner has passed or not local, the city should work have them sell the property or auction it locally. Again, no private investors or corporate investors.	8/31/2025 10:08 AM

35	Building codes are too strict. Especially on country land outside Walsenburg. There's no need to have Denver like building codes in the country areas. These codes dissuade people from purchasing property with the intent to build and live in Walsenburg. This is one of the reasons why people just buy land and sell it and they don't ever build. We need more population in Walsenburg. Please adjust building codes that are more in line with people who want to build a country home	8/23/2025 3:41 PM

46	It would be nice to see more businesses and fewer storefronts turned into homes specifically on the downtown Main Street strip.	7/7/2025 5:15 PM
47	Maybe use some acquired lots to increase open space.	7/7/2025 4:58 PM
48	The City should not take on any properties for any reason. That's just a liability followed by "it's not in the budget to renovate or demolish". That's benefits nobody. You need to increase code enforcement on those letting their properties deteriorate and reduce restrictions on those trying to repair/improve their properties. This is a town where your house can be falling down and nothing said... but want to repair /maintain and it's months of headache trying to get a permit	7/3/2025 6:31 PM

1	Back in the Walsenburg was a great (wonderful) place to be. Raise a family - growing up here was a delight - We had a family business but has closed and we all moved away to be honest the only reason we came back is because my parents live here when they are gone I have no reason to come back. It is heart breaking to see this once thriving city become a delapitable heap garbage. The city and county have done little to bring it back - I hope this plan looks	1/12/2026 2:54 PM

15	I think it's important that there is new people within the county commissioners as well as city Council. It's helpful when there are people who can see our city through a different lens. However, it's imperative that there is a height and awareness amongst community members of how they can engage in opportunities to learn how to be more civic engaged.	1/3/2026 11:58 AM
16	Walsenburg is an old city, but nepotism stands in the way of improvement. It could be one of the best cities in Colorado if only people could envision the future.	12/24/2025 9:45 AM
17	Fix infrastructure first, attract businesses to increase tax base, spend wisely	11/21/2025 10:34 AM
18	Government and comprehensive plans usually end up taking freedom away from residents / businesses/ and land owners, and benefiting a vocal minority.	11/3/2025 3:47 PM
19	City government, city utilities functionally must be improved. City hall is a mess and infrastructure is falling apart. Family did not move here due to the disfunction we presently have. Other family have moved away for the same reasons.	10/9/2025 12:27 PM
20	Thank you for this. Very thoughtful and good work. We have enjoyed discussing it, and we wish the very best for Walsenburg. We come here often for Lathrop, and breakfast at George's.	10/4/2025 10:19 AM
21	I'm really glad you're doing this, but the above options are a little disappointing. I feel like the majority of them are just superficial. We need to boost the economy which means encouraging an anchor or some small businesses to come in, things both locals need and passthrough tourists (let's face it this isn't a destination) will stop at. More people means more money spent and that justifies the rest. Maybe the tech college is a good idea.	9/27/2025 2:21 PM

46	I think police are not the right group to respond to mental health & de-escalation, at least not without a lot of extra training from medical professionals	9/9/2025 3:18 PM
47	The water department does not make clear water - i had a sand pile in my toilet tank	9/9/2025 3:07 PM
48	outside business	9/9/2025 2:14 PM
49	fish pond in park	9/9/2025 2:10 PM
50	I would like to see any revenue from taxes from new buildings help Walsenburg education system fund extracurricular activities in art, music, and trade programing.	9/9/2025 1:56 PM
51	I think Walsenburg needs to prioritize making the main corridors attractive to support businesses and tourism plus encourage people to consider moving here. Look back at original designs for miners plaza that have shade, trees, benches, and planting then finally finish the park.	9/9/2025 1:06 PM
52	we need positive change!	9/9/2025 12:22 PM

54	online businesses need to be established / i have a net zero farm design i would like to share	9/9/2025 11:54 AM
55	events & music to help bring visitors more on a regular basis would help	9/9/2025 11:40 AM
56	schooling for teens - activities for them other than crime or drugs	9/9/2025 11:17 AM
57	reduce crime and more activities	9/9/2025 11:12 AM
58	more action - less talk	9/9/2025 10:19 AM
59	- improve the Library - more parking adjacent to main/ downtown - tax incentives for light industrial business along I-25 (requires worker housing initiatives) - Loosen zoning along main for more mixed use (2nd floor residential) - Re-open the pool	9/9/2025 10:12 AM
60	create a more positive image for the city	9/9/2025 9:06 AM
61	focus on our youth - they are the future	9/9/2025 8:37 AM
62	Improvement= mills. Voters will not approve. We need to get creative on what we have and how to improve on it. We can do it if we utilize resources	9/6/2025 10:07 AM
63	Open the ice facility	9/3/2025 12:22 PM
64	Fix the God damn roads and alleys omg it should not be that fucking hard to have my alley fixed	8/28/2025 10:34 PM
65	Read the book "Walkable City" by Jeff Speck. Consider the concept of "lean startup", often associated with entrepreneurial ventures but could apply to a variety of projects the city is considering. Lean startup would allow us to get started sooner rather than later.	8/24/2025 12:45 PM
66	Please consider the lowering the strict building codes for residential, especially new builds. Give people more freedom and you will invite more of the younger population to come and build and live in Walsenburg.	8/23/2025 3:41 PM
67	I think we really need to upgrade Main St and W 7th St. We have so much traffic coming into town and the way they look now, it is not inviting for people traveling through to stop here. West 7th St is a disaster and looks terrible. There is so much potential in City Park but it is not inviting. We could have such a good park there with things like splash pads, covered areas for picnics, upgraded playground equipment for the kids, lawn areas, benches etc.. I am sure there are grants out there to help with things like that.	8/22/2025 9:08 AM

69	Thank you for involving the citizens of walsenburg.	8/13/2025 8:25 AM
70	The key to getting people on board with making and maintaining improvements is to make them feel like their participation earns their belonging in the place they improve. A sense of pride and inclusion is worth more than compensation.	8/9/2025 1:52 PM
71	Need younger people giving ideas. I have no idea who is behind this survey but it "feels" out of touch with younger generation	7/28/2025 1:57 PM
72	community pool needs to be top priority for families and attraction of revenue	7/28/2025 1:50 PM

76	slow the semi trucks coming through town (bypass for semis).	7/28/2025 1:09 PM
77	remove weeds, plant trees, paint houses, tear down dilapidated structures	7/28/2025 1:06 PM
78	weeds on existing sidewalks should be removed. Trees are the easiest way to improve a street. I have a masters in real estate development and my dad is a master in landscape architecture. would be happy to help develop real estate / consult on landscaping 719 890 4794	7/28/2025 11:43 AM
79	paint ugly buildings, repair sidewalks, signs "welcome to Walsenburg", more grass, more trees	7/28/2025 11:34 AM
80	Really look into Dark Sky cities. They attract people wanting to leave the city light pollution to	7/28/2025 11:16 AM

83	Increase murals... become known for murals, this attracts tourists	7/20/2025 8:38 PM
84	The water department and its consistent problems and billing mistakes needs to be heavily prioritized. It's a huge deterrent to living or owning a business in this town.	7/20/2025 3:55 PM
85	Parking should be in several designated parking lots to allow the storefronts to stand out	7/19/2025 12:06 PM
86	The Police Department is transforming the city and the improvement is notable. Policing should be the #1 priority.	7/17/2025 8:55 AM
87	Cool! The Comprehensive Plan is very impressive and well thought out. I'm excited to see the energy put into thinking and dreaming about all the ways that Walsenburg could blossom in a way that increases prosperity and strengthens the community. Walsenburg is a gem that has incredible potential. Walsenburg has unique assets that could be leveraged to create an outdoor recreational destination, that offers theater, arts, and music in a mountain town oriented atmosphere. The ongoing renovation of Fox Theatre with a fully restored 100 year-old Wollitzer organ could provide unusual entertainment for the community as well as draw in visitors from the surrounding area. Maybe the Fox Theater in Walsenburg could host Bach's 340th birthday complete with a concert and a cake. Lathrop and the surrounding area is gorgeous and perfect for hiking, kayaking, paddle boarding, and outdoor recreation. There would obviously need to be more accommodations for a growing tourist industry. I'm in favor of finding assets already here and renovating them (the waterpark is another case in point). I only hope that people see the potential of building something beautiful and sustainable that honors the environment and raises the quality of life in the community. I don't believe we should, nor is it necessary to go down the industrial road at the expense of the natural beauty, history, and legacy of the area. Thank you for this creative effort!	7/14/2025 10:07 PM
88	"Government ruins nearly everything" (Laura Carno). In all cases, incentivize private sector development.	7/14/2025 4:46 AM
89	No ICE-Period. That will undo all the progress being made. The Mayor is short sighted and is only thinking of dollar signs.	7/11/2025 10:55 AM
90	Parks, yards, sidewalks are depressing. No reason to stop in this burg. So much missed revenue from tourism.	7/9/2025 4:22 PM
91	Figure out a way to add Community Service if Fines cannot be paid. We must curb/control Code Enforcement Violations in a way the community understands the consequences	7/9/2025 11:06 AM
92	Thank you for this opportunity	7/7/2025 10:45 PM
93	I'm hopeful and excited to see what changes may come to Walsenburg with all these innovative and new ideas and plans.	7/7/2025 4:13 PM
94	Make sure people actually know about this outside of Facebook. Give people clear direction on where and how to fill this out. Get rid of the cops.	7/5/2025 5:04 PM
95	Bring in modular nuclear. Bring in trash to energy.	7/4/2025 10:07 PM
96	It would be great if the city called for locates. We have a century link broke for a week now.	7/4/2025 8:49 AM
97	Activities for Seniors	7/3/2025 8:15 PM
98	Repair the water park. Stop ruining the ability to get the goco grant for the rest of the county.	7/3/2025 7:15 PM
99	It would be beat to bring in a Top Golf, improve the municipal golf course, and incentives for folks to make Walsenburg a food destination.	7/3/2025 5:43 PM
