4	No fast food in De Beque. I like preserving the lands between I-70 and the river as parks and dedicated open space. I don't feel that De Beque needs to be commericalized.	10/16/2025 9:52 PM
5	Land UseConcept 2, Points 1 and 2. Land Use Concept 3 Point 2.	10/16/2025 4:23 PM
6	Need to support the business's we have.	10/14/2025 6:32 PM
7	Focus development near existing. No development south of River- would need a poured overpass with bike path. Strongly Incentivize /require small houses and ADUs	10/12/2025 6:44 AM
8	keep area south of I70 agricultural and rural	10/11/2025 7:23 AM
9	I would like a rodeo arena because there are many family's with horses that I'm sure would like to ride in an arena but don't want to deal with the hassle of driving to Collbran or grand junction. I also am aware that there was a property donated to the town of De Beque for that specific purpose.	10/10/2025 6:03 PM
10	I like the idea of preserving along the river too many communities have developed that and ruined the beauty of the river and its wildlife. Adding housing and mixed use in the areas 3 provides allows this community to preserve the charm it already has	10/10/2025 5:50 PM
11	I like the idea of adding more businesses along the I70 corridor for commercial use as I feel we need more recognized business and opportunity here.	10/10/2025 5:00 PM
12	I appreciate the idea of development to bring dollars into the town. This would also provide jobs and training for our students. At all costs we must preserve the land, the river and the animals that live in our area. Growth is a wonderful thing, as long as we do not sacrifice our quality of living.	10/10/2025 2:39 PM
13	Keep the ag areas for agriculture, and centralize the town. Retail right off interstate will attract drivers to stop and check out the town. Possibly add a train depot for day trippers between GJ & DeBeque at some stage. Plus less extensive trails to south means less cost involved in maintaining trails that won't get as much use or recreational draw as those towards Wild horse area and connecting GJ. "The Overland Trail" between DB and GJ/Fruita would be a huge draw! Add a stage stop or glamping camp business partway and you've got a mini Moab.	9/25/2025 8:23 PM

17	I felt that the concept of 3 not only opened De Beque up for the opportunity to grow but it also allows the town to stay as a community. business growth is good if done right	9/19/2025 12:01 PM

22	It is my understanding that there is not enough water to expand the town at this time. Expansion must wait.	9/2/2025 5:20 PM
23	Concept 2 has larger residential lots near Bass Lake which is lowered density. More people or business could overwhelm this area.	9/1/2025 11:22 AM
24	No solar or wind farms Don't add more eyesores by building near the river North and east sides of town can absorb limited new housing.	8/29/2025 1:57 PM

28	Directly inside the town only needs single family housing and recreational focus. Business development should focus along I-70, and additional housing near Bass Lake	8/26/2025 9:24 AM

32	I like that they will attract businesses and jobs to De Beque. We need these for our residents	8/26/2025 8:49 AM
33	I like the open land for parks and open space on 1. I also like the mix of single dwelling and multi dwelling housing	8/26/2025 8:40 AM

36	I don't want to see De Beque change into a place where we have a large population w/o infrastructure to support it	8/26/2025 8:19 AM
37	Developing area between I-70 and the river as highway-oriented commercial uses would be a good and easy start. South and east of I-70 is good for developing residential neighborhoods of low intensity, which is also better for the local environment.	8/25/2025 11:31 AM

1	Reuse the buildings we have vs tearing down and building new. We have some amazing buildings that aren't utilized in town!	10/16/2025 9:56 PM

1	The town seems bent on growth yet also seems unable to properly manage what they currently have. Growing the town will only make things worse.	12/16/2025 9:22 PM
2	I love the small town feel of De Beque. We don't need it to be a big city!	10/16/2025 9:57 PM
3	Town management should be more inclusive of those living outside the town limits. There is an attitude of exclusion of those, "outside of town," even though we pay taxes, shop at local businesses, and are your neighbors. This us a poor attitude in this rural area, and discourages those outside the town boundaries participation in Town of De Beque events and activities. We are, after all, neighbors too.	10/16/2025 4:36 PM
4	I want a covered rodeo arena!!!!	10/10/2025 6:09 PM
5	None at the moment. Love the little town, but I think there is a lot of opportunity for growth	10/10/2025 5:03 PM
6	Set forth a community standard of clean streets, yards, no trash strewn about, no squatters living in sheds in parking lots of town houses. If we can't clean up the existing town, growing will only add more of the same look and that is NOT going to bring investors or families. Providing a safe, economically viable housing market requires strategy that starts now.	9/25/2025 8:31 PM
7	would LOVE a gym in town or a splash pad!	9/19/2025 12:56 PM
8	To improve the sidewalks in town and in the existing neighborhoods... walking the kids to school and have to crisscross streets to avoid goat heads.	9/19/2025 11:28 AM
9	Has there been proposals or discussions on the town annexing existing properties outside of town limits (i.e. V 5/10 Rd has 19 lots on a small mesa above Bass Lake / De Beque Fire Station).	9/2/2025 5:27 PM
10	No apartments! Single family or as needed townhouse style construction	8/26/2025 9:28 AM
11	I think these would be a great investment for our town	8/26/2025 8:25 AM
